2022 Dance Recital Program Advertising

On May 14th, Astrid Audet Academy of Ballet & more will celebrate the columniation of our 2021-2022 Dance Season with our Annual Show and Recital, presented at the beautiful Olympic Heights performing arts theatre. This is the studio's 17th annual performance and it will feature 325 performers in a beautiful rendition of Back to Broadway. The Academy is producing two individual performances for our students.

Each year The Academy has a beautiful professional program produced for our audience and performers, at no cost to our families. (See samples at front desk.) These make a great keepsake for our dancers and their families as well. In this program we have space reserved for business & personal ads. **This allows you to celebrate your dancer and all their hard work and accomplishments. We would like to invite you to advertise in our program. All photos of your dancer must be from our picture day to be in the program. All adds and well wishes are due by April 23rd.**

Our studio provides training for all levels of dancers, ages 2 through adult, in ballet, pointe, tap, jazz, hip hop, lyrical, contemporary, modern, and acro/tumble. We are also an active member of the community. **We would also like to invite your business to advertise in our program. This is a wonderful way to advertise and support the local arts community, at the same time.** If you have any questions please feel free to contact us 954-491-8418 or in-fo@AAABallet.com
