

Dear Studio Friend,

Sixteen years ago our studio initially started our recital performances.

This production began as a small way for our dancers to serve their community and give back with the amazing talents they have been given. Our show has been received by the community with overwhelming enthusiasm and has blossomed into a multi-show production with casts of nearly 325 performers. Our Recital shows have been seen by over 10,000 people through the years! We are so blessed by the response. Please consider coming along

side of us and joining our other sponsors for these recital performances. Any level of sponsorship is much appreciated. Thank you in advance for your consideration, Ms. Astrid & the 2022 Recital Cast.

**With sponsorship you will receive:**

Your Company\Family name on printed program!
