On June 3rd, Astrid Audet Academy of Ballet & more will celebrate the culmination of our 2022-2023 Dance Season with our Annual Recital, presented at the beautiful Parker Playhouse theatre.

This is the studio's 18th annual performance and it will feature 350 performers in a beautiful rendition of the Classics and Legends. The Academy is producing two individual performances for our students & their families.

Each year The Academy has a beautiful professional program produced for our audience and performers, at no cost to our families. (See samples at front desk.) These make a great keepsake for our dancers and their families as well.

In this program we have space reserved for business & personal ads.

This allows you to celebrate your dancer and all their hard work and accomplishments. We would like to invite you to advertise in our program.

All photos of your dancer must be from our picture day to be in the program. All ads and well wishes are due by May 5th. We would also like to invite your business to advertise in our program. This is a wonderful way to advertise and support the local arts community.
